

Confirmation Name Paper Outline

If you have chosen to keep your baptismal name (your first name), why did your parents choose it for you initially?

Why is the name important to you (either old or new)?

If you have chosen a saint's name, what qualities of the saint's life do you find most admirable? If your first name happens to be a saint's name you may want to look up that saint.

By imitating these qualities, how can you become a better Christian?

If you have chosen the name of another member of the Christian community, what qualities of his or her life do you admire and aspire to?

Remember you have to write a paper. Don't turn this in with the questions answered.
