

St. Joseph Family Vacation Bible School 2021

June 21-25, 9:30-11:30am

St. Joseph Parish Festival Grounds

8065 Mast Road at the corner of N. Territorial Rd.

Join us as we travel back in time to visit with Moses and learn how God takes such good care of us! We will hear from Moses (this year played by our own Deacon Larry!), learn new songs, play exciting games, and make some unique items to bring home! As always, we will have amazing snacks and apparel options, so you may act the part!

This year we are asking that a parent/caregiver attend with children to allow for everyone's comfort (children from more than one household are allowed to attend with one caregiver). Invite your friends and neighbors! Register at
