As always, we will have yummy snacks and fun costumes, so you may act the part!**

**What's different about this year's VBS?**

It's been quite a year and there still seem to be changes every week, if not every day! With this in mind, and for everyone's comfort and safety, this year's Vacation Bible School will be a family affair. A parent, grandparent, or other caregiver will be part of the fun and supervising their own family during our adventures. Already part of a pod? Feel free to include children from other families in your "VBS family". We will follow CDC recommendations and we'll have plenty of room to stay safe and have fun outside on the church grounds!
